

Mountain Park Church Children/Youth Ministry

# Criminal History Check Authorization

In order to protect the children who attend activities at Mountain Park Church, the Board of Elders requires that the name of every new volunteer in the Children's Ministry be checked by Criminal Information Services, Inc. or a similar agency. Information provided by this check will not necessarily disqualify a candidate from serving in a Children/Youth Ministry area.

Mountain Park Church policy prohibits anyone convicted of a criminal offense against a child or youth from working with children and youth at the church. See the policy for appeals and waiver requests.

By my signature below, I hereby authorize Criminal Information Services, Inc. to release any information which pertains to any record of conviction in its files or in any criminal file maintained on me whether local, state or national. I hereby release the Criminal Information Services, Inc. and Mountain Park Church from any liability resulting from such a disclosure.

I understand that I may obtain a copy of the report and will be given the opportunity to challenge the accuracy and completeness of this report and obtain a prompt determination as to the validity of the challenge before a final determination is made by Mountain Park Church.

I further understand that I will not be allowed to serve in a Children/Youth Ministry area at Mountain Park Church until this background check is completed. This form and the report will be retained in your application file and will be kept confidential and secured in such a manner that it will only be available to the Senior Pastor, the Elder Chairman and the Ministry Leader for the specific department applied to work in.
